A Stylishly Sweet Shower

The Inspiration

Inspired by the movie *Funny Face* starring Audrey Hepburn (our style icon), we were immediately drawn to the film's 1950's French couture look. Borrowing some of the colors that dominate the scenes, we updated them in modern shades of pistachio, cherry blossom, macaroon pink and smoke. Since we had a classically trained French pastry chef on our team, we wanted to showcase as many French treats as we possibly could, and kept the look modern and fresh with the ribbon backdrop, statement centerpiece and hanging "chandelier" of fresh floral, balloons and paper flowers.
